Spokane Scout Shop Holiday Giving Tree

Begins November 1, 2026

INLAND NORTHWEST COUNCIL

Your Help Is Requested

November 1, 2026

Hello Scouting Friends,

The Spokane Scout Store is providing an opportunity for the Scouting community to help local Scouts who may need uniform parts and scouting equipment.

The Holiday Giving Tree program will run throughout November and December and works on a donation basis. The tree in the Scout Store will be decorated with Holiday Giving cards. Each card will have a Scout's name, rank, and the items needed. Scout supporters can purchase a card in the Scout Store, and the store staff will ensure delivery to the child.

We will keep the identity of the individual(s) **confidential**. You may use a middle name or a more generic name if you are concerned about recognizability. As the donations are collected, store staff will contact you to make pickup arrangements.

We need your assistance to make this project a success! For each Scout who would benefit, please fill out the information below and return the form to the store by October 30, 2026. **Proof of need is not necessary**.

If you have any concerns or questions, please contact the store staff by email: spokane.store@scouting.org. Thank you in advance for your assistance! With leaders like you, this program will greatly benefit our Scouting community!
