

BOY SCOUTS OF AMERICA®

INLAND NORTHWEST COUNCIL

TRAINED LEADER CHALLENGE

Want to earn a free weekend of camping and a cool patch? Here's how!

1

Become a 100% trained unit. This means that every registered leader in your unit has completed their Youth Protection Training and Position Specific Training. Your unit's my.scouting account must show 100% Trained Leaders and YPT in the Training Manager tab.

2

Units that achieve this goal will earn a free weekend of camping at any of our 3 camps. This will include the campsite and use of the activity areas. Units will go through the online reservation system, and reservations are subject to availability.

3

Units will also earn a free "100% Trained Unit" patch that may be worn by all registered leaders. This patch may be worn for as long as the unit maintains 100% trained status. Units will receive additional patches for newly registered leaders that complete their YPT and position training.
