## STOREFRONTS

Many Scouts sell camp cards in front of our community businesses in addition to door-to-door sales. It is the Unit/Scout's responsibility to check with store management to arrange sales. We advise that you speak to your local businesses, venues, churches, and other supporting organizations in your community about the possibility of supporting Scout fundraisers.

**Remember – no storefront sales in front of Rosauers or Super 1 Foods!**

## SCOUTING AMERICA FUNDRAISER SELLING GUIDELINES

- Camp Cards and Popcorn sales are the only council-approved fundraisers and do not require the submission of the Money Earning Application.
- Direct solicitation by leaders or youth members of cash donations from community businesses, individuals, service organizations, etc., are not allowed! Units raise their needed funds through approved product sales and fundraising events, payments from members' dues, and family support.
- Revenue from sales can be returned to Inland Northwest Council at any time throughout the campaign. For each card sold, units keep \$5 and are responsible for returning the remaining \$5 in revenue to the council.

## NO RETURN POLICY

The unit should only check out what they can sell. You can check out a few then pay for them and get more from the Council Service Center. There will be a trade sheet on the Camp Card Webpage on the Council website.

Nwscouts.org. Be sure Scouts and parents treat each card as if it were a \$10 bill.

**CAMP CARD SALE ENDS MAY 2nd
